APHM2M - Introduction

APHM2M - Admission

For the specific conditions of this program : refer to the French version

General and specific admission requirements for this program must be satisfied at the time of enrolling at the university..

APHM2M - Information

Learning outcomes

The Master in Public Administration offers courses based on :

- the analysis of the many different issues faced by institutions and players in the context of public policy;
- the acquisition of methods and skills to deliver effectiveness and efficiency in public sector administration;
- the modernisation and continuous assessment of change in public organizations.

Teaching method

The programme alternates between explanations of theory and case studies in order to enable students gaining practical and critical understanding of public administration issues.

Evaluation

It is up to each member of the teaching staff to decide on the most appropriate methods of assessment according to the objectives of the course: **oral** or **written** examinations, work to be done throughout the year (e.g. reviews of literature, case studies, essays) or **exercises**.
